Laboratory of Mathematics & Applications (LMA) organizes

The 2nd International Conference on Fixed Point Theory & Applications
ICFPTA'19

November 30 , 2019, Mohammedia

Objectives:

International Conference on Fixed Point Theory and Applications (ICFPTA'19), organized by the Laboratory of Mathematics & Applications at FST-Mohammedia, aims to discuss the latest developments in Fixed Point Theory and its interactions with different mathematical domains.

The event is an opportunity for researchers to benefit from the expertise of our invited speakers.

Invited Speakers:

Pr. Mohamed Amine Khamsi

University of Texas
El Paso, USA

Pr. Osvaldo Mendez

University of Texas
El Paso, USA

Pr. Ahmed Zaghal

FST-Tanger, University of Abdelmalek Essaâdi Morocco

Pr. Abderrahim Boussaïri

FSAC, University of Hassan II , Casablanca, Morocco

Pr. Mohamed Aziz Taoudi

ENSA, University of Cadi Ayyad, Casablanca, Morocco

Important Dates:

Submission deadline: October 31, 2019
Notification of acceptance: November 11, 2019

Contact: Pr. Mustapha Kabil
